Controllers

To see a list of supported controllers and how to set them up (and any quirks with doing so):

- [Supported controllers](#)
- [Map a controller](#)

For setting up non-behaving Bluetooth controllers:

- [Manual Bluetooth controller setup](#)

For setting up arcade controls with various DIY encoders:

- [Arcade controls](#)

To set up light gun controllers (including using Wiimotes as faux light guns):

- [Light gun controls](#)
