

Mr. Boom

Emulator	ROM Folder	Extension	BIOS	Config
lr-mrboom	/userdata/roms/mrboom	.libretro	n.a.	n.a.

Batocera is shipped with a working build of Mr. Boom! Mr.Boom is an up to 8 player Bomberman clone for LibRetro/RetroArch. The goal of the game is to bomb away your enemies and other players.

Controls

- B Drop Bomb/Join game
- Select Add a bomberman bot (while in the join game screen)
- Start Start game
- Move Up/Down/Left/Right or Push bomb
- A Detonate bomb (when you have the Remote control power)/Join game
- X Jump (while riding a Kangaroo)/Join game
