Documentation Contribution

You can contribute to Batocera in ways other than development too! This is for the community's collective knowledge on Batocera:

- [Good wiki editing practices](#)
- [System page template](#)
- [DokuWiki syntax](#)
- [Batocera-specific wiki code snippets](#)

A page which keeps track of all pending approvals for wiki edits. Only approvers can access this page:

- [Pending approvals](#)

If you're intending on training to become a blog writer for Batocera:

- [Batocera blog writing guide](#)

If you'd like to contribute to the [benchmarks on the desktop PC](#) page:

- [Benchmarking for Batocera guide](#)
